

Your partner ski school

## WHY WE ARE DIFFERENT

**Pick up of children** at the door of your accommodation for more tranquility.

**Montessori learning method** based on self-confidence, autonomy. The methodology allows us to adapt our pedagogy depending on the development of the child according to his age group. All our instructors are doubly graduates : Qualified instructors and Montessori Sports fundamentals accredited

**Lessons in small groups:** Making the choice The Mountain Ski Academy is making the choice of difference. With us, 4 people maximum per lesson.

**Tailor-made services:** A particular desire like skiing in several ski areas during the week? Contact us!

You benefit from 10% on our private lessons (the prices indicated are already discounted)
